

Facilitator Training

Wellness Recovery Action Plan for Minnesotans

MONDAY, OCTOBER 18 THROUGH FRIDAY, OCTOBER 22, 2021
9:00AM - 2:00PM

WRAP Facilitator Training is appropriate for anyone who would like to lead WRAP groups, work with others to develop their own WRAP and give presentations on mental health recovery related issues to groups or organizations. Attendees are expected to have a solid working knowledge of WRAP and share their experiential knowledge of how WRAP can work.

The WRAP Facilitator training provides an experiential learning environment based on mutuality. Through learning to implement the evidence-based practices and methods, WRAP Facilitators create an empowering learning environment to support people to make sustained changes in their lives toward wellness. Participants in this course will be expected to participate in interactive learning activities and demonstrate their own experience with WRAP.

We continue to have COVID-19 protocols in place during the 2021 training season. These include social distancing, verifying vaccination status or providing a negative COVID-19 test. Full COVID-19 protocols for each site will be emailed with the acceptance into the course.

To Attend This Training

It is expected that you have familiarity with the different parts of WRAP through completion of one of the following prerequisites (which must be conducted by WRAP Facilitators):

Seminar I: Developing Your Own WRAP (16+ hours)

**Copleland Center
Correspondence Course**
