

# Partnering to Support Your Patients in Recovery

When your patients need substance use treatment, we're here to help. For decades, we've provided evidence-based addiction care with dignity and compassion. With **100+ specialized providers across 25+ locations**, we offer comprehensive services for adults and adolescents at every stage of recovery – in-person and virtually.

**Immediate Availability: Substance Use Disorder Treatment**

## Recovery Support for Every Patient at Every Stage

We meet patients where they are in their recovery journey, offering flexible treatment options for adults and adolescents.

**For your patients who need:**

- + Residential treatment with 24/7 care at our Big Lake facility
- + Intensive outpatient programming (3x/week) or weekly outpatient groups
- + Treatment for co-occurring mental health and substance use disorders
- + Support from Peer Recovery Specialists with lived experience
- + Substance use treatment combined with psychiatry, therapy, or in-home skills
- + Medication-assisted treatment

In-person and virtual options available. Most state and commercial insurance plans accepted.

## Making a Referral is Simple

 **Call**  
651.529.8479

 **Fax**  
651.604.5905

**Online**
